

Bachsatz

Facts:

Town: **Wösendorf**
Size in ha: **3,32**
Altitude in m: **220 - 237**
Aspect: **S - SE**
Average Slope in %: **12**

Max. Slope in %: **Up to 67 %**
Insolation in hours per year: **2125**
Terraced vineyard: **No**
Labour required in h: **1.200**
First documentary evidence: **1346**

Description

Bachsatz is the name for the slope toe area of the Gaisberg vineyard. The fact that many know the name of the "Bachsatz" section better than that of the main vineyard "Gaisberg", testifies among other things that these areas have always been particularly attractive for wine growing.
