Average Slope in %: **7**
Max. Slope in %: **54**

Insolation in hours per year: **2550**
Terraced vineyard: **No**
Distance to Danube in m: **1.216**
Labour required in h: **18.700**
First documentary evidence: **1500**

Description

The Silberbichl vineyard is one of the best known in Mautern. The name part "bichl" reveals the reference to a hill, in this case an elevation in front of the Göttweiger Berg and behind the city of Mautern. Silver shimmering rocks are seen time and again here, which explains the name.
