

Vogelsang

Facts:

Town: **Spitz**
subsite of: **Setzberg**
Size in ha: **1,08**
Altitude in m: **256 - 314**

Average Slope in %: **49**
Labour required in h: **1400**
First documentary evidence: **1668**

Description

Vogelsang is the designation for a prominent ridge situated adjacent to Setzberg and towards Offenberg. The name probably goes back to the family name of a 16th-century burgher of Spitz.
