

## Zanzl

### Facts:

Town: **Rührsdorf**

Insolation in hours per year: **2355**

Size in ha: **7,14**

Terraced vineyard: **No**

Aspect: **NW**

Slope gradient: **Ø 10 %**

Altitude: **206 - 231 m**

### Description

The Zanzl vineyard rounds off the Rossatz and Rührsdorf vineyards to the west. The warmer influence that the east-facing vineyards of this district enjoy can no longer be felt here. These wines have a much cooler but still rich note.
